Thanks for the follow up Vanessa. Attached is a revised invoice for time spent on the case for this year and last by Ms. Bertl. Any additional time from this date forward will be billed separately.

I also attached the receipt that shows expenses to mail out the notarized affidavit requested and sent to Mario.

Hi Julie,

Thanks for taking my call today and looking into our request to for a revised invoice. We believe the clinician hourly court fees (which is 5 times Ms. Bertl's standard clinical rate) is excessive and similarly, that we should not be required to pay for time Ms. Bertl spends consulting with her lawyers. Additionally, time spent preparing documents in responses to a subpoena should only be charged reasonable clerical costs (not clinician costs).

Please discuss with Ms. Bertl and get back with us at your earliest convenience.

Best,

Vanessa
